MONEY MAKING MINDSET

Imagine yourself 1 year from now - you've built the life & business of your dreams. You just made 10k in one day. **What does this life look like?**

In the picture you just painted above, how are you **feeling**?

MONEY MAKING MINDSET

Which of those dream life thoughts could you *actually* believe right now?

For the thoughts you can't believe, how could you tweak them to be true now?

<i>I always have an abundance of money</i>	→	<i>I always have enough money</i>
